CHRISTWAY COLLEGE

KINGSTON CAMPUS

2027 FEE SCHEDULE

Christway College

Investing in Excellence

At Christway College, our commitment to providing a Christ-centred, high-quality education remains unwavering. We are dedicated to ensuring that our students not only receive an excellent academic education but also grow in their faith, character, and leadership skills. To continue this mission, we consistently seek ways to improve and invest in the resources that make our school a unique and nurturing environment for your children.

Tuition Fees

For 2027, tuition fees at our Kingston Campus will increase by 7%. However, levies have been reduced for some year levels, helping to lessen the overall impact of the tuition fee increase on families.

Kingston's tuition fees have historically been maintained at relatively modest levels. At the same time, the cost of providing high-quality education continues to increase substantially, particularly as significant increases in teacher and staff remuneration flow through the Victorian education sector.

Our teachers and staff are central to the quality, culture and Christian character of Christway College. Remaining able to attract and retain excellent Christian educators requires the College to provide remuneration that is increasingly competitive with the wider education sector.

We have also continued to invest directly in the Kingston learning environment. During 2026, seven teaching and learning spaces have been comprehensively refreshed and contemporised, significantly improving the quality of the facilities available to students and staff.

The 2027 fee adjustment is therefore an important part of ensuring the long-term financial sustainability of the Kingston Campus while continuing to provide the quality of education, staffing and facilities our families rightly expect.

Commitment to Stewardship and Affordability

We recognise that school fees are a significant commitment for families, particularly amid ongoing household pressures. The College remains committed to balancing affordability with the need to sustain the quality of our Christian education, programs and learning environments.

We are deeply grateful for the trust and partnership of our families in the education and formation of their children.

Grace & Peace,

Damian Higgins
Executive Principal
