CHRISTWAY COLLEGE

WYNDHAM CAMPUS

2027 FEE SCHEDULE

Christway College

Investing in Excellence

At Christway College, our commitment to providing a Christ-centred, high-quality education remains unwavering. We want our students to grow not only academically but also in faith, character and their capacity to contribute positively to the world. This requires careful stewardship as we balance keeping a Christway education as affordable as possible with ensuring we have the people, programs and facilities needed to provide an excellent and sustainable educational experience. .

Tuition Fees

For 2027, published tuition fees at our Wyndham Campus will be held at 2026 levels, with no increase to the underlying tuition fee schedule.

At the same time, the temporary Pioneer Discount, which has been progressively reduced as the campus has developed, will move to 0% for Primary students and 5% for Secondary students.

We recognise that the reduction of the Pioneer Discount will result in the increase in the amount payable by some families and we want to be transparent about this change.

The Pioneer Discount was introduced during the establishment and major construction phase of the Wyndham Campus. The campus has now reached a significant point of maturity. During 2026 we are completing the new Gymnasium and STEAM Centre together with the major sports oval, adding to the substantial facilities developed over recent years.

With these projects completed, the campus will be well established for its next stage of development. In 2027, Christway Wyndham will also reach a major milestone as our inaugural Year 12 cohort commences, making it a full Prep-Year 12 school.

Holding tuition fees schedule at 2026 levels, reflects the campus' strong financial position and our desire to support familiies amid on-going cost-of-living pressures, while the continued phasing out of the Pioneer Discount recognises Wyndham's transition into a mature, comprehensively resourced school. .

Commitment to Stewardship and Affordability

We recognise that school fees are a significant commitment for families, particularly amid ongoing household pressures. The College remains committed to balancing affordability with the need to sustain the quality of our Christian education, programs and learning environments. We are deeply grateful for the trust and partnership of our families in the education and formation of your children.

Grace & Peace,

Damian Higgins
Executive Principal
